

# Welcome to your Avalon OOSH 'Hubhello' Dashboard!

Once you have received your username and password associated with your enrolments, you can login to your dashboard at <https://hubhello.com>

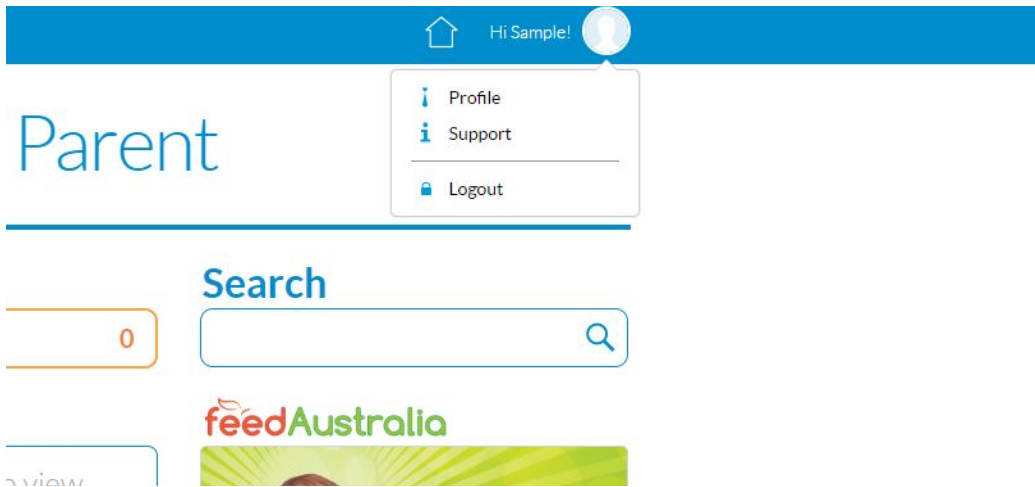

If you do not know your login credentials, you can reset using the email address you receive invoices and other Hubworks communication in by visiting <https://avalonoosh.hubworks.com.au/>

The dashboard features a blue header with the HubHello Australia logo, a home icon, and the user name 'Hi Sample!'. Below the header are three profile icons for 'My Family', 'Sample', and 'Test', and the text 'Sample Parent' next to the OOSH logo. The main content area is divided into several sections:

- Alerts:** A yellow warning icon and a counter showing '0'.
- Search:** A search bar with a magnifying glass icon.
- News Feed:** A message stating 'Hold up, there are no news feed articles for you to view.'
- Gallery:** A message stating 'Drop photos here to upload.'
- Weather:** A forecast for the next five days: Tue 12 (16°), Wed 13 (15°), Thu 14 (14°), Fri 15 (13°), and Sat 16 (12°).
- feedAustralia:** A banner for 'feedAustralia' with a photo of a child eating fruit and text: 'Based on research based recommendations Brought to you by Hunter New England Department of Health NSW'.
- HubWiki:** A section titled 'When someone dies: helping your child cope' with a photo of a woman and child. The text reads: 'When someone close to your child dies, your child might have strong feelings - sadness, despair, anger, confusion and anxiety. These feelings are normal. You can help your child by providing a safe and supportive environment as your child learns to deal with the feelings.'

Through this dashboard, you can update your Child's enrolment details, your personal details, your payment method, access the 'BookMe' portal for booking and paying for vacation care sessions ( currently in development ), as well as view photos of our activity sessions and scheduled menus for After School Care.

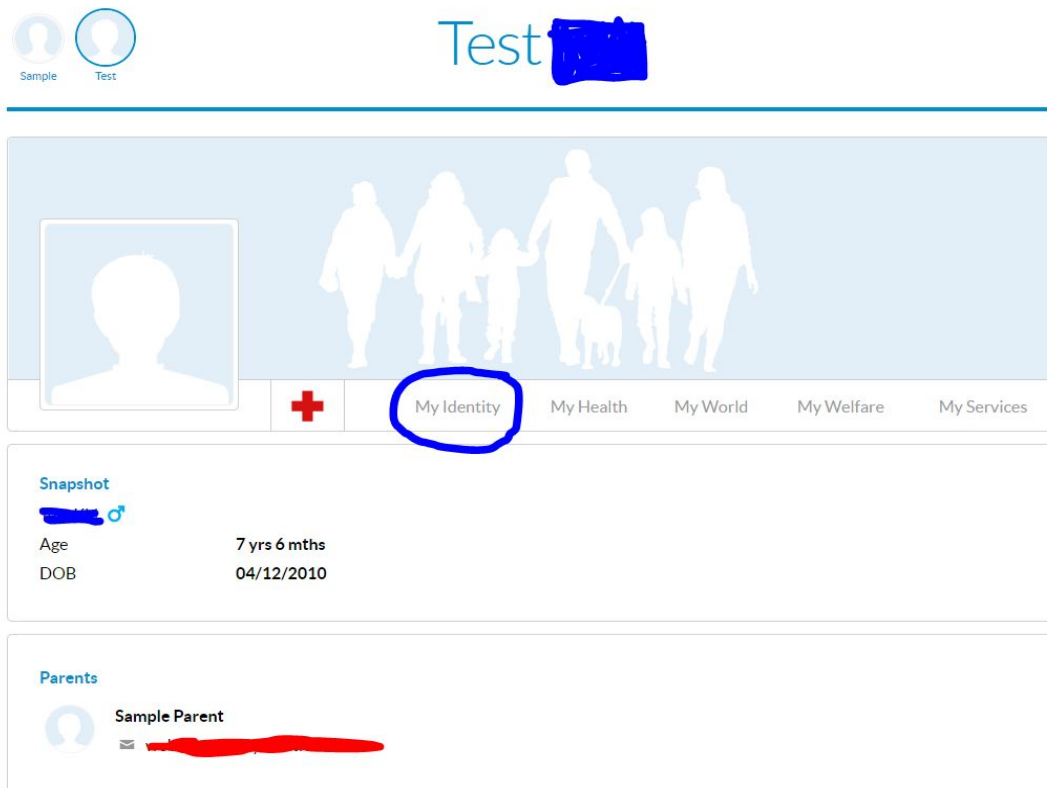

The News Feed will list any newsletters and Family Broadcasts that the Centre releases.

In the top right hand corner, there is a drop down menu under your Profile Image (optional). If you click on the profile tab, you can access the current enrolment details listed for Parent 1 (you), and any Children's enrolments that you are listed as the authority for.

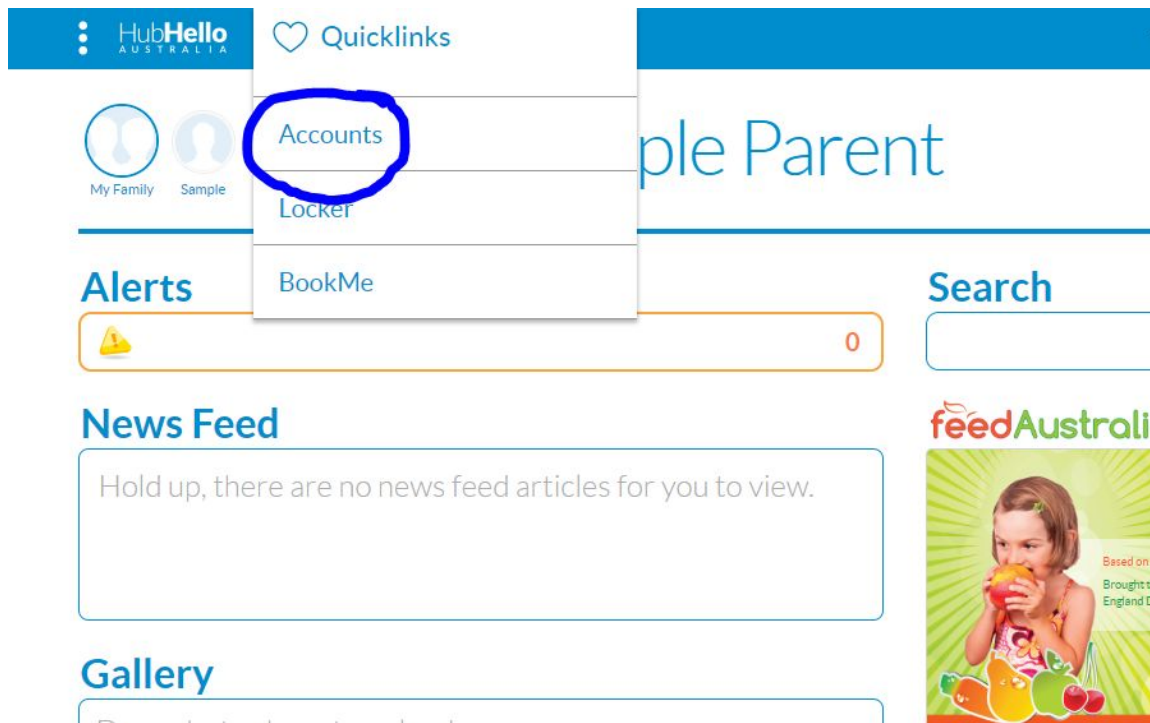

Select the identity of the person you wish to edit.

Edit and save details by selecting desired tab.

The image shows a user profile interface. At the top, there is a navigation bar with four tabs: 'My Identity', 'My Health', 'My World', and 'My Account'. The 'My Account' tab is circled in blue. Below the navigation bar, the 'Account' section contains three input fields: 'Username' with the value 'sample\_parent', 'Email' with a redacted address and a green checkmark, and 'Time Zone' with the value '(GMT+10:00) Canberra, Melbourne, Sydney'. Below this, there are three toggle switches: 'Change Password' (off), 'Enable PIN' (off), and 'iPay' (off).

Under the parent profile you will also find a 'My Account' tab. This will allow you to edit your email address, change your password, as well as sign up or edit your 'ipay' direct debit information.

The accounts tab allows you to view your outstanding balance, Subsidy amounts, and allows you to 'pay now' for your outstanding balance.
